[Exchange Contacts.pdf](#)

Hi [REDACTED]

Thank you again for taking the time to speak to us last Wednesday.

Per our conversation, I have worked on compiling some data on exchanges associated with our Ripple liquidation program. In the attached PDF file you will find a list which includes exchange names, corresponding 2018 Ripple liquidation volumes, and whether the exchanges allow US customers or not. In the last column I have also added any reliable direct email contacts (if any) associated with the exchange. In 2019 we added additional exchanges, which I have appended to the list as well (without volume data).

Please let me know if you have any questions.

Regards,
